RE: EXPRESSION OF INTREST FOR PROVISION OF CONSULTANCY SERVICES FOR PPP OF CONSTRUCTION OF NEW TERMINAL BUILDING AND ASSOCIATED WORKS AT JKIA

TENDER NO. KAA/ES/EOI/0238/2023-2024

ADDENDUM NO. I

The following tender clarification/addendum issued regarding the above tender.

No.	Inquiry	Response
1.	Extension of time of two weeks from 23 rd of May to 6 th of June 2024 to enable us to put together our joint ventures for the various professional disciplines.	The Authority has granted as shown below.
2.	We further seek clarity on the requirement 6(i) requiring bidders to demonstrate involvement in a PPP project of 500,000,000usd. The only difference between a PPP project and a normal project is the financing aspect of it, the technical aspects remain the same. This being a technical bid, we seek clarification why a lot of emphasis would be on experience of a PPP which is based on the financial aspect?	The Authority hereby amends to read as “Bidders must demonstrate involvement in PPP/EPC projects” .
3.	The world bank also lists only 13 Airports in Africa done under PPP with only 5 being concession projects similar to this project,	The Authority hereby amends to read as “Similar and related Airport concession projects preferably in Africa” .

	<p>which means your requirement would restrict the EOI applicants to only 5 bidders to qualify assuming the 5 bidders apply for the EOI. We feel that this requirement is not relevant and restricts bidders to an open and fair process</p>	
<p>4.</p>	<p>Bidder to note under item No. 6(iv) should be amended to read airport planning/operations/maintenance projects.</p>	<p>Foreign firms participating in the bid are required to associate with locally incorporated firm(s) in a joint venture (JV) agreement.</p>

The closing/opening date is hereby extended to **30th May, 2024 at 11:00 am** from **23rd May, 2024 at 11.00 a.m.**

Kindly ensure your tender is valid for a period of **126 days** from the NEW closing/opening date of **30th May, 2024. at 11:00**

This addendum forms part of the bidding document and is binding to bidder. All other conditions remain the same.
