RE: RE-TENDER FOR REPLACEMENT OF UNDERGROUND ELECTRICAL CABLES AT ISIOLO AIRPORT.

TENDER NO. KAA/OT/ISIOLO/0138/2024-2025

ADDENDUM NO. 1

The following are tender clarifications/addendum issued regarding the above tender in accordance to instructions to tenderers Clause 8.1 of the bidding document for the referenced tender:

NO	CLARIFICATION	RESPONSE
1.	<p>We refer to the tender KAA/OT/ISIOLO/0138/2024-2025 for RE-TENDER FOR REPLACEMENT OF UNDERGROUND ELECTRICAL CABLES AT ISIOLO AIRPORT. We wish to confirm that we will be submitting our bid for the RFP.</p> <p>Please note that the Mandatory site visit was concluded on the 19th of March 2025, which we attended and took keen note on the site conditions. (Attached please find the site visit Certificate).</p> <p>Following our assessment of the project requirements, we find that the current submission timeline of less than one week after site visit being insufficient to prepare a competitive and comprehensive bid.</p> <p>Given the need to liaise with our manufacturers for the supply of essential equipment and ensure compliance with all specifications, we kindly request an extension of four (4) weeks to the tender closing date. This additional time will allow us to present a well-structured proposal that aligns with the project's objectives and ensures value for all stakeholders.</p> <p>We would appreciate your consideration of this request and look forward to your favorable response.</p>	<p>The purpose of the visit was to show the bidders the exact location of works. This included the cable routes, soil conditions and where cables terminations to be done.</p> <p>Therefore, request for an extension is granted as shown below.</p>

The closing/opening date is hereby extended to 3rd April, 2025 at 11.00 a.m. from 27th March, 2025 at 11:00 am.

Kindly ensure your tender is valid for a period of 186 days and your tender security is valid for a period of 216 days from the NEW closing/opening date of 3rd April, 2025, 2025 at 11.00. a. m.
